Civic Groups, Business & Individuals Invited To Participate In Railroad Festival

The Town of Appomattox and the Junior Woman's Club will co-sponsor the 3rd Annual Historic Appomattox Railroad Festival. Festival dates have been set once again for the second weekend in October, the 11th and 12th. Senator Harry F. Byrd, Jr. has accepted an invitation to serve as the parade grand marshall this year. "Cactus Joe" will be here with his Choo-Choo.

Plans are in progress to continue the featuring of Arts and Crafts, Historical, and Railroad displays. Recreational activities and various types of musical entertainment is also trying to be arranged.

The co-sponsors of the Festival feel that the success of this event is due to the tremendous effort put forth by community groups and the many interested businesses and individuals that have participated. In order to give everyone interested in participating in the various portions of the Festival a chance to make their plans before organizations take their summer break, or make other commitments for this weekend, Oct. 11 and 12, letters have gone out to individuals and organizations which have participated in the past. This letter outlines areas of possible involvement and the appropriate chairman to contact. Since there may be groups or individuals inadvertantly omitted or who have not participated previously, it is hoped they will contact directly the appropriate chairman listed below as soon as possible as participation in certain areas will be limited due to space or time. Thus, "first come, first served" will have to be the basis for assignment of space and time choice.
